Funding - Cambridgeshire & Peterborough Combined Authority is funding this programme as part of the learning and skills offer for adult residents of Cambridgeshire and Peterborough. The programme seeks to provide initial support for disadvantaged people to enable them to go on to take up other learning opportunities (including lifelong learning and existing adult education provision), apply for employment or a volunteer role, or make positive steps towards these aspirations.

The deadline for submission of applications is 01 May 2025. Outcomes will be shared in late July and projects may deliver learning activities from September 2025 to April 2026. Follow the link for further information: [Learning & Skills Fund - Cambridgeshire Community Foundation](#)
