Peterborough Lions Club are putting on a free show for the over 65s, disabled people and their carers (first one after a 5 year break). - see attached flyer for more information.

Reasonable Adjustments Community Projects

Peterborough Presents (PP) are looking to partner up with 3 - 4 local community groups or creatives who identify as Deaf, disabled or neurodivergent on **accessible, creative activities**. This can be craft, performance, film etc. **You can apply for up to £1,000** and PP staff support to run activities from June – October 2025. Activities should be about marking 30-years of the Disability Discrimination Act and / or giving a greater voice to the DDN community. If you want to find out more, visit www.peterboroughpresents.org/opportunities . So, get those creative cogs turning and let's make some great things happen! **Deadline for proposals is 20th April.**

Joe Keegan, the PCC Drug & Alcohol Commissioner, has asked us to share information about future drug & alcohol commissioning.

Please review and respond via the following link if this is of interest to you.

Drug and Alcohol Services Supplier Engagement Event

85323000-9 - Community health services

Peterborough City Council will shortly be conducting a Competitive Process under the The Health Care Services (Provider Selection Regime) Regulations 2023 and will be recommissioning substance use services within the City and will be delivering two sessions (one face to face and one via Teams) to give an overview of our needs assessment and the proposed service model to Providers.

There will be three specifications discussed at these events;

1) Core Service Specification

Providers will be expected to deliver early intervention measures, as well as a treatment and recovery offer across the City, focusing on a strength based, person centred model where treatment outcomes are paramount.

2)Lived Experience Recovery Organisation Model

The Council has an ambition to develop a Substance Misuse Lived Experience Recovery Organisation in Peterborough that is independent of the core service provision and would like to discuss proposals around this

3)Life Skills Specification

Providers will be expected to deliver an offer that focusses on holistic and wrap around skills and support needed to sustain treatment outcomes.

The proposed models will incorporate Adults, Children and Young People and will be expected to work in partnership with primary care settings, education, statutory partners, voluntary and faith sectors among others.

Substance Use Commissioners welcome the opportunity to discuss the proposed priorities with Providers to gain their feedback prior to an Invitation to Tender being issued.

The face to face event will be held on 29th April 2025 from Noon to 1.30pm to be held at Sand Martin House, Bittern Road, Peterborough, PE2 8TY. The teams event will be held on Friday 9th May 2025 from 11.30am to 1pm

If you wish to attend please register your interest and message via the messaging function advising which session you would like to attend and the names of attendees. If you wish to attend the virtual event please also provide email addresses for each attendee to facilitate the link being provided.
