We're Hiring!

Here in the Communities Team at PCVS, we're looking for experienced

individuals who are passionate about Peterborough and improving life for the city's residents.

We will soon be advertising for a number of key roles so if you think that working with us might be right for you, then make sure you keep an eye out for PCVS update emails, social media and check in at the jobs page on our website regularly. [Jobs](#) | [PCVS](#)

PCVS MEMBERSHIP UPDATE

PCVS will be moving membership sign up online via our website soon. Watch out for an email invite to sign up on www.pcv.co.uk as we launch the pilot of the new system (please check junk mail).

Membership is currently free and we need as many of you as possible to test out the sign up process and make your directory page! Once you've signed up you will be able to log on and see funding news and additional training resources on our web pages. You'll also get a members directory page to promote your services or group.

Plus you'll be able to submit your events to appear in our 'What's Going On' calendar of events!

Keep an eye out for that email!

Peterborough Poverty Truth Commission

Over the past few months James, and others who are part of the Peterborough Poverty Truth Community, have been across Peterborough promoting the learning from the Poverty Truth Commission, continuing to connect with people who recognise the value in working directly with people who have lived experience of the issues they are trying to improve.

As part of that, we've also developed a workshop that explores some of the learning from our commission, as well as the best practises we developed and recommend to other people and organisations working in this area.

We delivered the workshop in September as part of our series of 3rd Thursday Networking events and the feedback so far has been great! We had a good mix of people who are already part of our community and people who are curious and looking to develop their own practise, and it sparked a wide, brave conversation, which is what Poverty Truth is all about.

Watch this space for further workshops, and please don't hesitate to contact us at communities@pcvs.co.uk if you'd like us to run one for your group.

Frequently Asked Questions

What is Health and Care Research?

- Research aims to learn new things, understand how things work, and test solutions to problems. Most research revolves around a question, such as, "How does climate change affect the health of older populations?"

What types of Health and Care Research are available to get involved with?

- Not every study is a clinical trial! Research can involve conversations, photos, diary entries, case studies, or following large groups over a long time.

What happens to my contribution?

- Health systems need evidence to make changes. By taking part, you are helping generate this evidence! Your impact might feed in to a campaign to encourage lifestyle changes, awareness raising, or new treatments being made available.

Our First Community Research Drop-in!

Bringing people together is at the core of what PCVS does. We've begun hosting regular drop-in sessions as part of our health and care research work; this is a regular, friendly, casual space where we help connect researchers with communities and also introduce new people to the benefits of taking part in research and becoming a Research Champion.

Please see the dates below for our next drop-ins or check our website for more information.

Each session runs from 14:00 to 15:30 at our office - Allia Future Business Centre.

We'd love to see you!

DIGITAL INCLUSION

Digital Inclusion Network

We are currently scheduling a number of Digital related training events. The first is an in-person event on Monday 1st September at 7pm at our office, it's themed around "Staying Safe Online" and will be led by Paul Bayer from Getsafeonline - if you would like to attend please [click here](#).

We have the following training webinars planned for:

Tuesday 2nd December - "Effective use of social media"

Tuesday 24th March - "AI related"

Further details will be provided nearer the time.

To hear more about what's going on with the project, what training resource is available and to learn more about what's happening around Peterborough and Cambridgeshire please join our Digital Network mailing group - email John.Robinson@pcvs.co.uk if you would like to join.

Safety Online for Young People Conference.

In March 2026, PCVS will be hosting a conference with a focus on Safety Online for Young People. Central to this will be the voice of young people and their views on online safety and the impact of it on their lives.

Perspectives from a range of organisations will be heard and examples of good practice discussed. The online world is an increasingly complex arena and the conference will be an opportunity to gain a greater understanding of this challenging issue.

Personal Assistant Register

Within PCVS sits the Direct Payment team that support individuals who have been assessed as being eligible for funding to source their own care. As part of that support there is the Personal Assistant (PA) Register. The register holds a list of individuals looking to provide care and support.

The register is open to individuals to apply to be included on this list. Once approved the PA's have access to the job roles available, it is then for them to decide if they would like to be short listed for a role.

PCVS does not employ the PA's directly, they are employed by the individual clients. More information on how to apply is available on the PCVS website: [Personal Assistants Register | PCVS](#)

Exclusive CEO Leaders Evening – Limited Spaces!

We are excited to share an exclusive invitation for our PCVS members from Rachel Hales of Get Synergised to a social evening especially for CEO leaders of registered charities and social enterprises to come together, connect, and socialise.

You may have heard of the [With Purpose Network](#), powered by [Get Synergised](#), which is an in-person and online networking and partnership community connecting businesses meaningfully and sustainably with registered charities, social enterprises, and public sector partners across Cambridgeshire for social and economic good. Its 85+ members share time, skills, expertise, resources, and finance to both give and receive help for mutual benefit across the private, non-profit, and public sectors. You can find out more about all the benefits - [HERE](#)

The With Purpose Network also hosts a variety of networking and social events for its members, and as such are organising an exclusive event for CEOs of registered charities and social enterprises in partnership with Hotel Du Vin, a With Purpose Network business member, and are opening a number of spaces to members of PCVS and Support Cambridgeshire who are not yet in the network. This is a wonderful opportunity to connect with fellow CEOs across Cambridge and Peterborough, build new connections, share experiences and, most importantly, enjoy a fun evening socialising.

Rachel and the Hotel Du Vin team would like to thank you for your commitment and tireless work with an evening of food, wine, and drinks in the beautiful surroundings of the hotel and bistro. You'll also have the opportunity to sample some of their autumn/winter menu – take a look at Hotel Du Vin & Bistro Cambridge - [Here](#) - While the evening is free to attend, a £10 donation is requested, with all proceeds going to a charity selected and in attendance on the night.

Through PCVS, the With Purpose Network powered by Get Synergised, and Support Cambridgeshire, we are committed to bringing community CEO leaders together—to support, learn, encourage, and socialise. We hope this will be the first of many gatherings between our organisations.

Tickets are limited and available on a first-come, first-served basis and are expected to go quickly

We look forward to seeing you there!

Continuing the Journey of Physical Activity System Change in Peterborough

Living Sport is hosting a face-to-face event in Peterborough, building on the momentum of the Place-Based Leadership Programme held on 23rd-24th October 2024.

This invitation is also open to:

- Anyone representing an organisation in Peterborough that delivers physical activity
- Anyone representing an organisation in Peterborough that wants to embed and support physical activity in their wider work

This gathering will be a chance to:

- Share the progress we've made on system change in physical activity,
- Reflect on the challenges we've encountered,
- Explore/discuss the local system mapping of support for physical activity so far
- And most importantly, shape the "what next" together, with the time and space to co-create ideas for a future forum/group/platform/space that supports ongoing collaboration, where everyone's contribution is recognised and valued.

If you would like to attend, please visit: [Continuing the Journey of Physical Activity System Change in Peterborough](#)

FUNDING OPPORTUNITIES

This September, [Health Data Research UK](#) (HDR UK) is launching a new community grants programme called [Take the Lead](#), offering between **£500 and £1,500** for community groups to deliver projects, events or activities that explore **how data can support health and wellbeing** within their local community. Grants will support activities taking place between **January and March 2026**.

The programme is designed to support community-led ideas and engage groups not usually involved in health data science, particularly those working with:

- People disadvantaged in terms of income
- Minority ethnic communities
- Older children and young adults aged 11–25 (especially in areas of deprivation)
- People over 65 (especially in areas of deprivation)
- People living in rural areas
- People experiencing digital exclusion

Take the Lead grants will open for applications in September 2025, **closing date is 5pm 13th October 2025**. Eligibility and guidelines will be shared on [our website](#) then.

WorkWell – Expression of Interest (Voluntary & Community)

WorkWell is a free and complementary service to help people struggling to find or keep a job due to physical and/or mental health. Trained work and health coaches work with people to develop a personalised support plan that may include connecting with a range of local services. These could include

- Financial advice and debt management
- Employment advice and support
- Health and wellbeing services
- Housing advice
- Training and skill development
- Relationships and domestic abuse
- Home adaptations
- Carer support
- Substance misuse

The programme has been very successful, and we are looking to reach out to more beneficiaries through the voluntary sector. In particular we would like to support

- People with learning disabilities
- Autistic or neurodivergent people
- Young people not in education, employment or training
- Care leavers
- Offenders
- BAME communities

Eligibility is age 16+ who are able to work in the UK and registered with a GP in Cambs & Peterborough.

Does your organisation or group work with any of the above groups and can you help us promote WorkWell? There is funding available for activities.

Does your organisation or group provide any services that WorkWell participants can access? If these are not already publicly funded, there is funding available to expand your services.

Please complete this expression of interest and send to: cpicb.cpworkwell@nhs.net

Health and Wellbeing Small Grants and Large Grants

The Evelyn Trust improves health by funding outstanding Cambridgeshire projects - in the laboratory, clinic and community. It has two Health and Wellbeing schemes, for which funds are aimed at Cambridgeshire (including Peterborough) charitable organisations. The Small Grant Awards scheme can be applied for at any point. Awards are for £4K-10K and applications are reviewed three times per year. Applicants are told promptly what the decision is. For the next round, applications received before 5pm on Friday 7th November will be reviewed by the end of November.

The deadline for the Large Health and Wellbeing grants up to £120,000 is Friday 14th November 2025. Larges are reviewed in a two-stage process, with successful applicants funded from July 2026.

Please see our website to register for the online application process and to see further detail.

VSN Member Survey

If you're already a member of the VSN please do take a couple of minutes to complete our member survey! . <https://forms.office.com/e/vZUqXZmRhR>

- **Chair and Chief Executive appointed to lead new ICB**

Robin Porter has been announced as Chair Designate and Jan Thomas as Chief Executive Designate of the ‘Central East’ Integrated Care Board (ICB) cluster. See [here](#) for more about Jan’s appointment and attached for further details. We are also pleased to share that Kate Vaughton has been appointed Executive Director for Neighbourhood Health, Place & Partnerships. Working to Kate will be a director focused on each current ICB area, and Pam Green has been named as the C&P lead Director for Neighbourhood and Place.

- **Share your views about co-production training and support**

The Cambridgeshire and Peterborough Involvement and Participation Network is a group working to amplify local voices and fostering co-production and is supported by the ICB. This survey developed by members of the Network is asking for views about what would help you develop a culture of co-production in your organisation.

https://docs.google.com/forms/d/e/1FAIpQLSfr8l4fPgTui8CD0-vktKyaaZ_F6q-6gRBP4kkdDcwEr7LTA/viewform

- **NHS England consultation on workforce needs**

Please do respond to this survey and tell the Department of Health and Social Care what your organisation requires, in terms of workforce, to support delivery

of the NHS 10 Year Plan:

<https://www.gov.uk/government/calls-for-evidence/10-year-workforce-plan>

- **Community and Mental Health Services review**

The Integrated Care Board (ICB) is undertaking a review of community and mental health services across Cambridgeshire & Peterborough with the aim of assessing how they align with wider strategic objectives, including those set out in the Strategic Commissioning Plan 2025–28 and national 10 year plan. The first phase will cover Children's and Family Community and Mental Health Services and Adult Community and Mental Health Services commissioned by the ICB from CPFT and CCS, including sub-contracted services. There will be a presentation about this review at the September VSN meeting. We have two spaces for VCSE representatives to join the review's Steering Group and we will keep members updated on progress and implications for our sector.

- **Health Inequalities Information Statement Data Pack**

Colleagues at the ICB have collated this pack of [health inequalities data](#) which you may find helpful. Whilst it is rather a large pack to digest, there is a helpful summary table that could be used for quick reference. This data pack is part of the ICS Strategic Outcomes Framework, which some of you may remember was presented to the VSN December meeting. We hope members will be able to use some of this data for funding applications and monitoring submissions; bringing to life the statistics with people's needs and experiences.

- **Homelessness Charter**

A collaboration between public, private, non-profit and community organisations from across Cambridge has launched a Charter to End Homelessness and is calling on everyone who lives and works in the area to support this work by signing the charter. They are asking for support from individuals as well as organisations. You can find out more about the Charter on their website: <https://cambridgehomelessnesscharter.org.uk/>

- **Building relationships with hospitals and community providers**

At our last meeting we heard from Jessica Brocklehurst, Strategy & Innovation Director for North West Anglia Foundation Trust (NWAFT) about their Clinical Strategy. We had a great discussion and Jessica came away with ideas for working with our sector. We are now looking at setting up workshops to develop these ideas. Watch out for more on this. We are also making links with other Trusts to offer similar opportunities. We will be hearing more from NWAFT about their development plans at our September meeting.

- **Creative Health Showcase Plus**

We are taking the idea of showcases, that have been so successful in the past and developing into a more comprehensive session which will include national experts and opportunities for Q&As. Watch out for the first of these in October, we will be inviting all our members and partner colleagues.

- **How does the health system work?**

A little reminder that there is a presentation on our webpage of the structure of our current health system. [VSN WEBSITE LINK](#)

IDEA Launch Event

On the 6th of September PCVS were invited to the launch of Inclusion and Diversity East Anglia (IDEA) at Queensgate. We had a chance to chat to people from the community about some of the work we're doing, such as the network of Community Research Champions we are continuing to develop, as well as having a chance to take in the music and the fashion show and drink lots of chai tea!

It was a great event that showcased how many communities there are in Peterborough and how much they have to offer when we can work together in a way which recognises the diversity of our city.

IDEA will also be hosting a **Black History Month event on the 4th of October**, and PCVS will be there promoting our health and care research work. Details of the event are on the flyer above and we'd love to see you there!

The Wonder of Christmas' at Peterborough cathedral.

Step through our arch into a Narnia like, winter wonderland. Be mesmerized by enchanting light displays and immersive soundscapes, wander among beautifully decorated Christmas trees inside the cathedral, follow the star on our nave ceiling and let the joy of the festive season come alive in the heart of the Cathedral.

By day you and the family can visit the festival of Christmas trees, with entry by suggested donation and by night you can enjoy the full light and sound, Christmas experience, with entry by ticket only, on selected nights.

The Wonder of Christmas begins on the 19th of November with selected evening dates – the daytime Christmas tree festival runs until Jan 4th.

We're inviting local organisations, charities, and community groups to take part in this year's Christmas Tree Festival at Peterborough Cathedral. It's a wonderful opportunity to showcase your creativity, share your message with thousands of visitors, and be part of wonderful community celebration in the heart of the city.

If your organisation would like to decorate a tree, please complete the short jot form below and a member of our team will be in touch with more information;

Keeping Everyone Safe at Home: 25 Years of The Bobby Scheme

Next year marks a milestone—the Bobby Scheme celebrates 25 years of protecting older and vulnerable people across Cambridgeshire and Peterborough. Since 2001, its police-vetted team has secured over 45,000 homes, reducing both crime and fear of crime.

Specialists provide free home visits, fitting locks, alarms, detectors, and RING products, while also offering advice on home and cyber security. More than security, the scheme restores peace of mind and independence.

The current “**£25K for 25 Years**” campaign aims to expand support for those just outside the core criteria but still at serious risk. Donations fund emergency visits, vital security upgrades, trusted repair connections, and reassurance that transforms lives.

Great Eastern Run 2025

Run a half-marathon through Peterborough city centre!

Taking place on Sunday 12th October 2025 and organised by Good Running Events, the AEPG Great Eastern Run is a major event in the UK running calendar. With a start and finish at the Embankment, the event boasts a super flat and fast route around the streets of Peterborough City Centre.

Why run with us?

By participating in the Great Eastern Run, you'll be running with a purpose. The money you raise will go towards supporting children and young people with life threatening conditions and their families. Your steps will make a meaningful difference in their lives.

Registration and sponsorship

The entry fee for this event is £10.

There is a minimum sponsorship ask of £250.
