

Weekly Update – 13th July 2026

Pride in Pace:

Pride in Place, one of Peterborough's largest community-led programmes, which will see up to £20 million invested across Orton Malborne and Orton Goldhay and up to £20 million across Paston, Gunthorpe and Welland over the next ten years.

The programme is built around a simple principle; local people should help shape the future of their communities. Before decisions are made, we want to listen to residents, community groups and local organisations to better understand what matters most to them.

As trusted organisations already working within our communities, your insight, local knowledge and relationships are incredibly valuable. We'd love for you to come along to learn more about our planned programme of community listening and engagement and explore how we can work together to ensure as many local voices as possible are heard.

We are hosting three introductory sessions across the programme area:

Thursday 23 July | 5:00pm – 7:00pm - First Steps Child & Family Centre (Paston, Gunthorpe & Welland) - To register [click here](#).

Monday 27 July | 5:00pm – 7:00pm - Honeyhill Child & Family Centre (Paston, Gunthorpe & Welland) - To register [click here](#).
