Community Payback - Wayne from the Community Payback team with the Probation Service has asked PCVS to let you know that he is reaching out to all the charities in the Peterborough and Cambridgeshire area to see if you would be interested in working with them. They can offer free work in terms of a supervised group or an individual placement for people on probation to complete their unpaid work hours. If this is something you would be interested in please get in touch with Wayne via email - **Wayne.Poulter@justice.gov.uk**

See attached word document (Host Partner Staff Briefing) for more information.

Living Better are working in partnership with the Activity Alliance to understand activity levels of disabled children and adults within Cambridgeshire and Peterborough and will use the results of this survey in order to support more accessible opportunities with partner organisations across the county.

Please can you share this survey with any community partners that work to support disabled people and let me know who you have sent this to, so we can ensure that we have wide coverage.

The link to the survey is here: [Disability and Activity Survey for Cambridgeshire and Peterborough – Fill out form](#)

Survey will close on 31 August 2026.

Women's Rough Sleeping Census - Safer off the Streets need help in building a picture of the real rough sleeping situation in Peterborough and have prepared a simple guide to support organisations through the process. If you think you can help, please review the short document attached - "Guide for partners".

Relay for Life Peterborough - Saturday 12th September, Embankment Athletics running track, Bishops Road, Peterborough - Relay For Life celebrates the power of community fundraising in the fight to beat cancer. Teams of friends, families and colleagues fundraise for research to save and improve lives, then unite as a community at an event to honour everyone affected by cancer and celebrate the progress we're making to beat it. The event is focused around a relay where team members take turns completing an activity – whether that be laps of a track, walks through a park or some other challenge – to show that step by step, together we are beating cancer.
